**PHOTO ART SILK 290gsm** - A luxurious, smooth silk finish inkjet paper. Every image bursts forth with a subtle, and yet, vibrant silk sheen in the printed areas. A perfect media for colour work with subject matter containing reflective or mirrored surfaces such as water or glass where a shimmering effect is required.

**MUSEUM HERITAGE 310gsm** - A mid-white, alpha/cotton mix base paper, resulting in highlight and shadow detail never seen before for such a media. It is totally acid-free, water resistant and with an impressive scuff-resistant coating avoiding 'flaking' seen on similar papers.

**ARTIST WATERCOLOUR 250gsm** - With a 250gsm heavyweight base, this matt coated media brings out all the original subtle and gritty detail and creativity of your work whether you use pigment or dye inks. Its natural white, OBA free base has a wide colour gamut and super sharpness and definition. This heavily textured paper is best suited for art reproductions rather than photography.

**PHOTO SMOOTH PEARL 290gsm** - Photo Smooth Pearl 290gsm has a natural white base and an instant dry, micro-porous coating. The paper's wide colour gamut and high D-MAX delivers beautiful images, both in colour and B&W.

# ACRYLIC BOX FRAME

## FOR MAXIMUM IMPACT

Our new Acrylic Box Frame is a development of the hugely popular Box Frame. With the images placed at the front of a 53mm deep wooden frame, available in three colour choices, you get a charming 3D effect to your image. We use gallery grade Fuji DPII Professional paper, which is then bonded to 2mm MDF. We precision cut our 2mm thick, crystal clear acrylic to the internal dimensions of the box frame and then seal the print and acrylic fascia into the frame. The frame itself has a 22mm wide lip which gives your image a clean, stylish outlined finish.

## A BEAUTIFULLY FINISHED AND UP-MARKET WAY OF PRESENTING FINE ART PRINTING.

Having printed your image onto a high quality textured fine art paper, we set about creating a deckled edge. (A deckle edge is a 'feathery', unfinished paper edging) Many fine art works and hand-made fine art prints deckle the paper edge. Mounting this print onto a raised block within a deep set frame makes the print appear floating. A choice of four, elegant and tasteful mouldings to choose from finishes the product to perfection.

- 4.3 If we are unable to accept your order, we will inform you of this and will not charge you for the Products. There are various reasons why we might be unable to accept your order, including because the Product you ordered is out of stock, there are unexpected limits on our resources which we could not reasonably plan for, we have identified an error in the price or description of the Product you ordered or because we are unable to meet a delivery deadline you have specified. However, we are free at our sole discretion to accept or reject any order that you place through our website.

## 5 OUR PRODUCTS

- 5.1 The images and specifications of our Products on our Website are for illustrative purposes only and shall not form part of the Contract or have any contractual effect. Although we have made reasonable efforts to display the Products on our Website accurately, there are a number of factors which can affect our Products, including the quality of the Customer Images you upload to our Website.
- 5.2 You are responsible for ensuring that the Customer Images you upload to our Website are accurate, unambiguous, clearly legible, complete and do not infringe the intellectual property rights of any third party. It is also your responsibility to ensure that you have the right to upload the Customer Images for us to use in the Products.
- 5.3 You shall ensure that the Customer Images you upload to our Website do not infringe any applicable laws, regulations or third party rights including, but not limited to, any material which is obscene, indecent, pornographic, seditious, offensive, defamatory, threatening, liable to incite racial hatred, menacing, blasphemous or in breach of any third party intellectual property rights (Inappropriate Content).
- 5.4 We shall have the right at our absolute discretion to refuse to provide any Products we perceive to include Inappropriate Content and shall be entitled to cancel the Contract, in which case clause 12.2 shall apply.
- 5.5 We cannot guarantee that:
  - (a) our Products will be an exact colour match to the Customer Images. We will reasonably endeavour to achieve the closest possible colour match within the limitations of the materials and processes we use to produce our Products and the quality of the Customer Images you upload. Where accurate colour matching is important to you, we would ask that you provide sample materials for us to use to achieve the best possible match we can;
  - (b) your Product will be an exact match to the dimensions specified on our Website as the sizes quoted on our website are estimates only. Where the size of Products is important to you, we would ask that you make us aware of this at the time of placing your order and we will use reasonable endeavours to comply with such requests. You are responsible for ensuring that any size measurements you request are accurate and suitable for your requirements.

## CLAUSE 5.6 APPLIES TO BUSINESS CUSTOMERS ONLY

- 5.6 You will indemnify us against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and expenses) suffered or incurred by us arising out of or in connection with any claim made against us for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with our use of the Customer Images and/or any other bespoke specifications you request in your order.

## 6 YOUR RIGHTS TO MAKE CHANGES

- 6.1 If you wish to make a change to any Product you have ordered, please contact us. We will let you know if the change is possible. If it is possible, we will let you know about any changes to the price of the Product, the timing of supply or anything else which would be necessary as a result of your requested change and ask you to confirm whether you wish to go ahead with the change.

## 7 OUR RIGHTS TO MAKE CHANGES

- 7.1 We may make changes to any Products you order:
  - (a) to reflect changes in relevant laws and regulatory requirements; and
  - (b) to implement minor technical adjustments and improvements, for example to address a security threat. These changes will not affect your use of the Product.
- 7.2 In addition, as we informed you in the description of the Product on our website, we may make the following changes to these terms or the Product, but if we do so we will notify you and you may then contact us to end the Contract before the changes take effect if the changes will have a material impact on your use of the Products and receive a refund for any Products paid for but not received:
  - (a) we make a change to the materials we use to create our Products;
  - (b) we have to find replacement materials because the materials we normally use are out of stock or discontinued; or
  - (c) a manufacturer changes the specifications of the materials it provides to us.

## 8 DELIVERY OF PRODUCTS

- 8.1 The costs for delivery of our Products will be as displayed on our Website. We will contact you within a reasonable period of time after placing your order to give you an estimated time for delivery, although any delivery dates given are estimates only and (subject to clause 8.4) time is not of the essence for delivery of Products.
- 8.2 If no one is available at your address to take delivery of the Products and the Products cannot be posted through your letterbox, we will leave you a note informing you of how to rearrange delivery or collect the Products from a local depot.
- 8.3 If after a failed delivery to you, you do not re-arrange delivery or collect the Products from a delivery depot in accordance with clause 8.2, we will contact you for further instructions and may charge you for storage costs and any further delivery costs. If, despite our reasonable efforts, we are unable to contact you or re-arrange delivery or collection, we may end the contract and clause 12.2 will apply.

## CLAUSE 8.4 APPLIES TO CONSUMERS ONLY

- 8.4 If our supply of the Products is delayed by an event outside our control then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this we will not be liable for delays caused by the event, but if there is a risk of substantial delay you may contact us to end the Contract and receive a refund for any Products you have paid for but not received.
- 8.5 Where a Product consists of goods, it will be your responsibility from the time we deliver the Product to the address you gave us or you (or a carrier organised by you) collect it from us.
- 8.6 You will own a Product which is goods once we have received payment in full.
- 8.7 We may need certain information from you so that we can supply the Products to you. If so, this will have been stated in the description of the Products on our Website. We will contact you to ask for this information. If you do not give us this information within a reasonable time of us asking for it, or if you give us incomplete or incorrect information, we may either end the Contract (and clause 12.2 will apply) or make an additional charge of a reasonable sum to compensate us for any extra work that is required as a result. We will not be responsible for supplying the Products late or not supplying any part of them if this is caused by you not giving us the information we need within a reasonable time of us asking for it.
- 8.8 We may have to suspend the supply of a Product to:
  - (a) deal with technical problems or make minor technical changes;
  - (b) update the Product to reflect changes in relevant laws and regulatory requirements; or
  - (c) make changes to the Product as requested by you or notified by us to you (see clause 7).
- 8.9 We will contact you in advance to tell you we will be suspending supply of the Product, unless the problem is urgent or an emergency. You may contact us to end the Contract for a Product if we suspend it, or tell you we are going to suspend it, in each case for a period of more than 90 days and we will refund any sums you have paid in advance for the Product in respect of the period after you end the Contract.
- 8.10 If you do not pay us for the Products when you are supposed to (see clause 9.4) and you still do not make payment within 7 days of us reminding you that payment is due, we may suspend supply of the Products until you have paid us the outstanding amounts. We will contact you to tell you we are suspending supply of the Products. We will not suspend the Products where you dispute the relevant unpaid invoice (see clause 9.6). We will not charge you for the Products during the period for which they are suspended. As well as suspending the Products we can also charge you interest on your overdue payments (see clause 9.5).

## 9 PRICE AND PAYMENT

- 9.1 The price of our Products (which includes VAT) will be the price indicated on the order pages on our Website when you place your order. We take all reasonable care to ensure that the price of the Product advised to you is correct. However please see clause 9.3 for what happens if we discover an error in the price of the Product you order.
- 9.2 If the rate of VAT changes between your order date and the date we supply the product, we will adjust the rate of VAT that you pay, unless you have already paid for the Product in full before the change in the rate of VAT takes effect.
- 9.3 It is always possible that, despite our best efforts, some of the Products we sell may be incorrectly priced. We will normally check prices before accepting your order so that, where the Product's correct price at your order date is less than our stated price at your order date, we will charge the lower amount. If the Product's correct price at your order date is higher than the price stated to you, we will contact you for your instructions before we accept your order.
- 9.4 You must pay for a Product at the point on which you place the order on our Website, unless otherwise agreed with us in writing.

# TERMS & CONDITIONS

- 9.5 If you do not make any payment to us by the due date we may charge interest to you on the overdue amount at the rate of 4% a year above the base lending rate of the Bank of England from time to time. This interest shall accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. You must pay us interest together with any overdue amount.
- 9.6 If you think an invoice is wrong please contact us promptly to let us know. You will not have to pay any interest until the dispute is resolved. Once the dispute is resolved we will charge you interest on correctly invoiced sums from the original due date.

## **CLAUSE 9.7 APPLIES TO BUSINESS CUSTOMERS ONLY**

- 9.7 You must pay all amounts due to us under these terms in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law).
- 10. YOUR RIGHTS TO END THE CONTRACT**
- 10.1 You may end the Contract with immediate effect if:
- (a) we have told you about an upcoming change to the Product or these terms which you do not agree to (see clause 7.2);
  - (b) we have told you about an error in the price or description of the Product you have ordered and you do not wish to proceed;
  - (c) there is a risk that supply of the Products may be significantly delayed because of events outside our control;
  - (d) we have suspended supply of the Products for technical reasons, or notify you we are going to suspend them for technical reasons, in each case for a period of more than 90 days; or
  - (e) you have a legal right to end the Contract because of something we have done wrong, including (in certain circumstances) if the Products are faulty (see clause 14).

## **CLAUSES 10.3 TO 10.5 APPLY TO CONSUMERS ONLY**

- 10.2 For most Products bought online, you have a legal right to change your mind within 14 days of placing the order and receive a refund. These rights, under the Consumer Contracts Regulations 2013, are explained in more detail in these Terms.
- 10.3 How long you have to change your mind depends on what you have ordered and how it is delivered:
- (a) If you have ordered services, you have 14 days after the day we email you to confirm we accept your order. However, once we have completed the services you cannot change your mind, even if the period is still running. If you cancel after we have started the services, you must pay us for the services provided up until the time you tell us that you have changed your mind.
  - (b) If you have ordered goods, you have 14 days after the day you (or someone you nominate) receives the goods, unless:
    - (i) your goods are split into several deliveries over different days. In this case you have until 14 days after the day you (or someone you nominate) receive the last delivery; or
    - (ii) your goods are for regular delivery over a set period. In this case you have until 14 days after the day you (or someone you nominate) receives the first delivery of the goods.
- 10.4 Your right as a Consumer to change your mind does not apply in respect of:
- (a) certain Products which are personalised to your specific order and cannot be resold by us e.g. Products containing your personal photographs, a logo personal to you or your business or your name, made to measure products;
  - (b) services, once these have been completed, even if the cancellation period is still running; and
  - (c) any Products which become mixed inseparably with other items after their delivery.
- Please note that the vast majority of the Products sold on our Website are personalised, made to measure and/or mixed inseparably with other items (e.g. made to measure picture mounts with your personalised pictures attached to them), meaning this clause 10.4 will apply and you will not have a right to change your mind.

  - (b) Where the Product is a service, we may deduct from any refund an amount for the supply of the service for the period for which it was supplied, ending with the time when you told us you had changed your mind.
